

SPECIALTY CRUISES & UNFORGETTABLE EXPERIENCES

In addition to world-class whale watches, Dolphin Fleet offers a curated lineup of specialty cruises designed to showcase Provincetown from unforgettable new perspectives.

SUNSET WHALE WATCHES Our legendary Sunset Whale Watches blend the thrill of whale sightings with the magic of a Provincetown sunset. Enjoy the full whale-watch experience as golden light washes over the shoreline on your return to port—an iconic Dolphin Fleet tradition generations have loved.

SUNSET MUSIC CRUISES Unwind on a two-hour evening cruise featuring live music and breathtaking coastal views. With rotating musical styles throughout the week, this guest-favorite offers a relaxed, festive way to experience the harbor at golden hour. Check online for performance schedules.

ALL-DAY WHALE WATCHES Our 6–8 hour All-Day Whale Watch ventures farther offshore to extended feeding grounds. Expect deeper exploration, longer encounters, and exceptional opportunities to observe whales, seabirds, and marine life.

SCIENCE IN THE HARBOR TOURS Led by scientists and educators from the renowned Center for Coastal Studies, this immersive harbor tour reveals Provincetown through the lens of science—from plankton to seabirds, seals, sharks, and whales.

PRIVATE CHARTERS Celebrating something special? Private charters are available by reservation.

ADVENTURE, FUN & SCIENCE

Provincetown: Gateway to Stellwagen Bank National Marine Sanctuary

Nutrient-rich waters surround Provincetown, delivering wildlife encounters soon after leaving port. Located just offshore, Stellwagen Bank teems with whales, dolphins, seabirds, and more. Our unmatched proximity means less travel time and more moments immersed in the wild.

Experienced Naturalists & Onboard Scientists

Our experienced naturalists offer engaging insight into whale behavior, marine ecosystems, and the wildlife of Stellwagen Bank. Every trip is also a research excursion, with scientists from the renowned Center for Coastal Studies often onboard. Sightings are documented, individual whales photographed for identification, behaviors tracked, and data recorded—supporting vital research, education, and conservation efforts.

WHALE WATCHING

Pioneers of East Coast Whale Watching

Since 1975, Dolphin Fleet has set the standard for East Coast whale watching, pairing unforgettable wildlife encounters with a long-standing commitment to marine science and conservation.

Creating Memories That Last A Lifetime

From first-time whale watchers to seasoned adventurers, we invite visitors from around the globe to experience the awe-inspiring beauty of the Atlantic's vibrant marine life in its natural habitat. It's an unforgettable experience that will stay with you forever.

Every Trip is an Adventure

Guests from around the world join us to experience the Northwest Atlantic's remarkable marine life in its natural habitat. No two excursions are the same—each journey shaped by the ever-changing sea and the chance to encounter whales, dolphins, seabirds, and more, creating memories that last a lifetime.
